WALT DISNEY WORLD®  
RESORT

## Number of Meals During Your Package Stay

The *Disney Dining Plan* includes one (1) Quick Service Meal, one (1) Snack, and one (1) Table Service Meal per person, per night of your package stay for everyone in the party ages 3+. For example, a party of 4 staying for 5 nights would receive 20 Quick Service Meals, 20 Snacks and 20 Table Service meals to use during their package stay.

### Example – Number of Meals/Snacks for a Party of 4 staying 5 nights

	Per Person Age 3+, Per Night	X	Number of Nights	X	Number of Persons	=	Total Number of Meals/Snacks for Stay
Counter Service Meals	1		5		4		20
Snacks	1		5		4		20
Table Service Meals	1		5		4		20

## Using Your Meals

- Use your meals and snacks in any order and in any amount throughout your package stay until your total is depleted.
- For example, on the day of arrival your party could use four (4) Quick Service meals, and then on day 2 your party could use four (4) Table Service Meals, four (4) Quick Service Meals, and two (2) Snacks. You can continue using meals any way you like for the rest of your package stay until the number of meals/snacks are depleted.

## Finding Disney Dining Plan Locations

- Your *Disney Dining Plan* includes over 100 selected Quick Service and Table Service restaurants, including our legendary Disney Character Dining.
- You can also find selected Snack locations throughout the Walt Disney World® Resort. Most cart locations selling frozen ice-cream novelties, popcorn or Coca-Cola® products accept your *Disney Dining Plan*.

## Redeeming Your Meals

- Present your Key to the World card to your server **prior to ordering** so your server knows to charge meals to your *Disney Dining Plan*. This will save time at checkout. Gratuities/service charges for Table Service meals are already included in your *Disney Dining Plan*.
- The following items are **not** included in the *Disney Dining Plan*:
  - Room service (in-room dining)
  - Pizza delivery
  - In-room mini-bars
  - Souvenir or refillable drink mugs
  - Glow cubes
  - Merchandise and Photo Imaging
- Guests ages 3 to 9 must order from the child's menu where available.

## Tracking Your Meals

- Your meal usage will be tracked electronically to your package reservation. Each time you redeem meals or snacks from your *Disney Dining Plan*, your server or cashier will provide you with a receipt showing your remaining balance for that portion of your *Disney Dining Plan*.
- For example, if your party of four (4) started with 20 Quick Service Meals and everyone in the party used one (1) Quick Service Meal, your paid receipt from the cashier would indicate a balance of 16 Quick Service Meals for the remainder of your package stay.
- Contact your hotel front desk at any time should you need assistance with your meal plan balance. All unused meals expire at midnight on your package reservation check-out date.
